On December 27, 2005, the Department of Telecommunications and Energy ("Department") issued an Order approving, with certain modifications, the Revised Model Interconnection Tariff, submitted to the Department by the Massachusetts Distributed Generation Interconnection Collaborative. Distributed Generation, D.T.E. 02-38-C (2005). By that Order, the Department directed the Massachusetts electric distribution companies ("Distribution Companies") to file tariffs in compliance with the approved Revised Model Interconnection Tariff. On January 10, 2006, the Distribution Companies filed their compliance tariffs effective February 1, 2006 ("Compliance Tariffs"). 220 C.M.R. § 5.02(4)(a). The Department has approved these tariffs.
